PRIMARY ELECTION--JUNE 1, 1982

FRIDAY, JUNE 4, 1982  
11:15 a.m.

MEETING OF BOARD OF CANVASSERS:

PRESENT: Joseph E. Kun, President-Monongalia County Commission  
Harry U. Howell and Richard E. Davies - Members  
Tom Jackson, County Clerk  
Thelma Gibson  
Valena Powell

The Board of Canvassers met at 11:15 a.m. on Friday, June 4, 1982 and began to examine the results returned by the precinct officials to determine if they are genuine and certified in form and manner substantially according to the requirements of the statute.

The first thing they were ascertaining the number of challenged ballots and authorized the County Clerk's Office to ascertain if the people voting a challenged ballot was properly registered and designate so on the front of the envelope by the next meeting.

They compared tally sheets against the Certificate of results also.

Challenged Ballots received from all precincts were 129.

Commissioner Howell stated that there was one Absentee Democratic Ballot in Precinct #39 that was not challenged or anything unless we challenge it. I think this ballot should be counted if they are properly registered.

Commissioner Kun said we will wait to rule on that after the County Clerk's Office has checked out all of the registration.

Commissioner Kun asked if there was anyone that would like to make any reference to the results and if they do they should come up here so that we can note their remarks.

William Bunner stated that in the Dorsey School Precincts (35 and 85) he heard a member of the counting board left prior to the official closing or posting of the results and did not sign the results and someone else signed their name. Also, another question as to irregularities, there were some of the votes counted, I understand, when there were a small number of ballots. Perhaps the Clerk's Office should establish a guide line in this for a minimum number in some precincts. They counted as few as five or six ballots.

Tom Jackson, County Clerk, stated that 805 Clerks and Commissioners were instructed that they should allow a reasonable number of ballots in the ballot box to protect the secrecy of the voter. We hope that this was followed. In the next class of instruction, before the next election we will emphasize this in the instructions to the poll workers.

Commissioner Howell made a motion and it was unanimous that they check Precincts 35 and 85, Dorsey School, as to irregularities.

President Kun stated that after examining Precincts 35 and 85 it does not reveal any discrepancy.

Commissioner Davies asked William Bunner if he had any additional questions?

William Bunner said that he didn't have any more questions.

After checking all tally sheets against the Certificate of Results there was found to be a discrepancy in Precinct 32 in the race for State Senate in the 14th Senatorial District. It showed on the Tally Sheet 8 for Harold Berthy, Jr. and the Certificate of Results showed 9 for him. Making a loss of (1) vote for Harold Berthy, Jr. in that race.

In Precinct 53, Harold Berthy, Jr. the Tally Sheets showed (5) and the Certificate of Results showed (4), making a gain of (1) vote.

Ronald Brown in the 15th Senatorial District in the State Executive Committee race had (45) on the tally sheet, Certificate of Results had (38)--a gain of (7) votes.

Precinct 81--House of Delegate Race, Clarence Harvey, Tally Sheet shows (17), Certificate of Results shows (16) a gain of (1) vote.

Precinct 87--State Senate Race, Stephen Cook, Tally Sheet shows (79) and the Certificate of Results shows (74), a gain of (4) votes.

Precinct 88--House of Delegate Race, Larry Harless, Tally Sheet (10) votes, Certificate of Results showed none making a gain of (10) votes.

The Board of Canvassers recessed at 1:17 p.m. until Monday, June 7, 1982 at 1:05

TUESDAY, JUNE 8, 1982  
11:45 a.m.

PRESENT: Joseph E. Kun, President of the Board of Canvassers  
Harry U. Howell, Member

The Board or Canvassers reconvened at 11:45 a.m. this Tuesday, June 8, 1982. in the record room of the County Clerk's Office at the Monongalia County Courthouse for the purpose of continuing the canvass of votes cast in the June 1, 1982 Primary Election held in Monongalia County. Others present were:

Tom Jackson, County Clerk  
Thelma J. Gibson, Chief Deputy Clerk  
Valena Powell, Cecilia Scudiere, Cheryl Malone, Sharon Lemasters, Emma Angotti and Delores Audia, Deputy Clerks.  
William Bunner, Attorney representing Alan Wheeler, Candidate for Democratic Executive Committee and Carla Siegwarth, Candidate for Democratic Executive Committee.

Joseph Kun, President, called the meeting of the Board of Canvassers to order. The Board immediately proceeded to rule on the validity of the challenged ballots and to see if the voter was properly registered.

There were (23) absentee ballots turned in by the Circuit Clerk to the County Clerk. The complete total of challenged ballots being (129 + (23)).

The Board discussed at length the various ballots which should or should not be counted. The Board ordered the County Clerk's Office to check to see if they voted out of their Executive Committee Districts and indicate on the front of the envelopes.

The Board recessed at 12:15 p.m. until Friday morning, June 11, 1982 when they will meet again as a Board of Canvassers.

FRIDAY, JUNE 11, 1982  
10:00 a.m.

The Monongalia County Commission, sitting as a Board of Canvassers, reconvened at 10:00 a.m. on Friday, June 11, 1982 in the Record Room of the Monongalia County Clerk's Office at the Monongalia County Courthouse for the purpose of continuing the canvass of the returns of the Primary Election held in Monongalia County on June 1, 1982. The following persons were present for such canvass:

Joseph E. Kun, President-Monongalia County Board of Canvassers  
Harry U. Howell, Member  
Tom Jackson, Clerk-Monongalia County Commission  
Thelma J. Gibson, Chief Deputy Clerk  
Sharon leMasters, Valena Powell, Cheryl Malone, Cecelia Scudiere, and Delores Audia.  
William Bunner

There was a discussion regarding (2) Challenged Ballots there was no name on the Envelopes and we could not check their registration therefore they were disallowed.

One other ballot was disallowed because the person voted republican but was registered Democrat. If the Board opened the envelope they would know how he voted, therefore, it was disallowed.

The clerks opened the Challenged Envelopes and put the Democrats in one place and the Republicans in another to be counted.

Based on the synopsis prepared by the County Clerk's Office, on all challenged ballots cast in the June 1st, 1982 Primary Election. The Board ruled that (117) Challenged Ballots be allowed and (35) were disallowed.

The Board of Canvassers after examining Tally Sheets and all of the other documents pertaining to the Election publicly declared the results of said Canvass, and declared it completed as of 11:55 a.m. this day.

TUESDAY, JUNE 15, 1982  
11:15 a.m.

The Monongalia County Commission, sitting as a Board of Canvassers, convened in the Record Room of the County Clerk's Office for the purpose of opening two letters they received in connection with the Primary Election of June 1, 1982. A Letter from Mrs. Steve (Carla) Siegwarth, 103 Marcus Drive, Morgantown, West Virginia.

She was a candidate for the Democratic Executive Committee in Eastern District #3. She stated that she was requesting a recount of Precincts (8), (9), (15), (30), (31), (32), (35), and (85). If required to post bond, please advise her of the amount.

Commissioner Kun said they definitely will have to post bond.

Commissioner Howell said that we will set the bond at \$300.00 and will have to get it here before 11:55 a.m. today. Contact her and tell her to have her money here by that time.

President Kun said that another letter was received from Alan Wheeler stating that he requested a recount in Precincts (25), (29), (36), (39), (76), (81), (84), (86) in his contest for Democratic Executive Committee in Eastern District #1.

President Kun stated that it is now 11:56 a.m. and we will certify all Election results with the exception of the two Executive Committee Races at this time that are in question. All others will be certified. All Executive Races will be certified with the exception of races in Democratic Executive Committee in Eastern District #1 and Democratic Executive Committee in Eastern District #3. All others will be certified.

President Kun told the two candidates asking for a recount that they were now verbally notified that the recount would be held on Tuesday, June 22, 1982 at 11:00 a.m. All other candidates for these Districts will be notified by letter. We will turn over your requests and bonds to the County Clerk's Office to keep in safe keeping. The following is the completed canvass of ballots cast in the June 1, 1982 Primary Election with the exception of the above mentioned races. The Board having determined which challenged ballots were to be counted and ordered same to be added to the official tabulation and having sealed the examined ballots voted in a new envelope, certified the results of the Primary Election held on June 1, 1982 and having declared the results of said election, with the exception, caused to be prepared a table of said results of said election, including all challenged ballots allowed, which table is ordered to be recorded in the Election Record of Monongalia County. The Monongalia County Board of Canvassers recessed until at 12:00 noon until Tuesday, June 22, 1982, the time set for the recount as requested in the two Executive Committee Races. They will meet at 11:00 a.m.

**TUESDAY, JUNE 22, 1982**  
**BOARD OF CANVASSERS**  
**RECOUNT**

The Monongalia County Commission meeting as ex officio Board of Canvassers, convened in the County Clerk's Office for the purpose of recounting votes as requested by the Democratic Executive Candidates in Eastern District #1 and Eastern District #3. Bond was given for all candidates requesting a recount. The Board of Canvassers met at 11:35 a.m., (35) minutes late. The following persons were present to assist the Board of Canvassers;

President: Joseph E. Kun, Harry U. Howell, County Commissioners.  
 Tom Jackson, County Clerk  
 Thelma Gibson, Chief Deputy Clerk  
 Valena Powell, Delores Audia, Cecelia Scudiere, Cheryl Malone, Sharon Lemasters, Paul Gribble, Marvin Drvar

The recount was requested by Alan Wheeler, Candidate for Monongalia County Executive Committee in Eastern District #1, and Mrs. Steve (Carla) Siegwarth, Candidate for Monongalia County Executive Committee in Eastern District #3. They posted the required amount of bond, \$300.00.

Others assisting for various candidates etc. are:

Bill Bunner, Mrs. Jarvis, Steve Siegwarth.

Commissioner Howell stated that it appeared that the Candidates do not have any objection to one Commissioner and two Tellers counting ballots in the Precincts in each District.

Commissioner Kun said that if any candidate or candidate representative objects to this please come forth and state your name and your objection to this. Having no objections, we will proceed in that manner now. The next thing to determine is whether we are going to honor the candidates request to stop counting at any point.

President Kun said they would have to have their bond here by 11:55 a.m. because we will certify the election then.

Commissioner Howell said that in the Eastern District #3 we will count only the women.

President Kun said that Clyde Richey wishes to address the Board of Canvassers because of his challenged ballot:

Mr. Richey: First of all, Mr. Richey said that he didn't find out until he called this morning about a hearing, in addition to the hearing relative to his voter registration card being removed prior to the Election, that the election would be certified this morning at 11:55 a.m. My concern then, Mr. Richey said, as it took me a while to find out, they finally found out that my vote was not counted in the Election. I want to challenge the certifying the election itself as I have moved as timely and quickly as possible to have my situation reviewed and moved into the Circuit Court, In all cases, if the Election is certified without my vote being counted--there is no remedy in the future that will take care of this. I contend that my voter registration card was removed illegally and I have put my case before the County Commission and I have no objection in your waiting until Commissioner Davies returns to make a decision on that case. I do have an objection to the election results being certified with my ballot not being counted and I feel I am on sound grounds. This is the whole point, I am challenging the removal of my card and if you want to go through the arguments again as to challenging my vote. It hasn't been decided, I don't see how the election could be certified and my vote not counted in the event I later prove to be correct in my belief that I was misenfranchised illegally.

President Kun stated that the Board of Canvassers took the position that when we are examining the challenged ballots that you were not properly registered at that particular moment and we had to rule on the challenged ballots in order to proceed with the canvass. The Board of Canvassers felt they could not hold up the canvassing of the ballots and the certifying of the election. Is that correct Mr. Howell?

Commissioner Howell said that at the time that we examined the ballots, your registration card was not in the books and this was so noted. Regardless whether it was withdrawn illegally or legally, that didn't enter into it so far as the Board of Canvassers were concerned. The only thing that we could rule on was the fact the clerk said that you did not have a valid registration card in the files in this Courthouse. For that reason, we had no choice but to not count your ballot.

Mr. Richey: I contend that I am validly registered, I have been for years and I haven't missed an election for years. The grounds for removing my card are illegal. I have done everything in my power to be a legal registrant. I have appeared where ever I needed to appear. There is absolutely no remedy for me if it is not counted, I don't see how it ever could be counted if the issue should be resolved in my favor, either through you all or somewhere down the line, and I request that I be given a hearing then relative to not counting my vote, I will admit it is exactly the same arguments related to my card being removed. I am not a lawyer, but this is not fair or not just, it is not correct and no one would say it as so.

Commissioner Howell said that the agreed that the timing in this case worked to your disadvantage, but all we had to go by is if there is a valid registration card in the book. The Clerk informs us that there was not in your case. I think the timing worked for your disadvantage and there is no other course the Board of Canvassers could take only that you were not registered. If at some later date, someone says that you were definitely legally registered, I agree with you, there is no way your vote can be counted and not destroy the right of secrecy of your vote.

Mr. Richey said he did not think that in the future it could be legally added on at all. I would not care if this was made public or not. The point being it is the grounds which I was removed for voting. The timing is someone elses fault, if this was to be done it should have been done at the time, when I could have acted promptly and challenged it. No one can site me an example where this has ever been done to anyone. I am the first person in the State of West Virginia that has had their voting rights removed for this reason. The very nature of this fact, maybe someone would say maybe we should count it until he is disqualified in a court of law in some way. I challenge the election results itself if this is certified without dealing with

my ballot in some forth right way and it is not fair to do what you are planning to do, it is not just, and all I can do is to protest. The same thing happened when I filed for an office.

Commissioner Howell said that he would like to clarify one thing--the Commission had nothing to do with the timing, as well as you did not either.

Mr. Richey: I have no hostility toward the Commission. You are disenfranchising me although it is symbolic, it is not that big a deal, my vote will not change any election. It is a symbolic act which I refuse to accept, that I am being disenfranchised from voting illegally and I am going to keep on protesting in every court in every place I can.

President Kun stated that he wanted the record to show the protest of Mr. Richey for his ballot being challenged and not being counted in the Primary Election of June 1, 1982.

County Clerk, Tom Jackson, stated that he contacted Alan Wheeler and he said he would be right down with his bond for the recount.

Mr. Richey said that if they have to put up bond that will put this certification of the election off for a while and maybe he can get into court.

Mrs. Gibson stated that they were to certify all the results with the exception of those asked for a recount.

Mr. Richey: I am protesting the certifying of the results in this election in the races I would have been allowed to vote in. You can certify the rest without my protest.

Commissioner Howell: As far as we can see they are all together and we will give you a copy of the minutes where you say you are disenfranchised, and you can use the minutes as evidence.

Mr. Richey: You know that there is no remedy to put me back on the ballog.

Commissioner Howell: You are thinking of the future that some time this question could come up, maybe in the November Election.

Mr. Richey: Perhaps by November my whole case could be overturned, and then I would be allowed to vote anyway.

Commissioner Howell: I would suggest Mr. President that we see that Mr. Richey gets a copy of these minutes of this portion of the hearing.

Commissioner Kun: It is unanimously agreed by the Board of Canvassers that Mr. Richey be sent a copy of these minutes.

The Board recessed at 11:30 a.m. until 11:50 a.m.

The Board of Canvassers went back in session and President Kun stated that he wanted the record to show that they had received a cashiers check from the First National Bank for Allan Wheeler--the check signed by Emily Gianola for a deposit or the bond for his recount.

A money order from the Union Savings and Loan Association from Mrs. Steve (Carla) Siegwarth, 103 Marcus Drive, Morgantown, West Virginia for bond for her request for a recount was received.

The recount will be Tuesday, June 22, 1982 at 11:00 a.m. the recount will be held in this area here and if you want observers you are allowed to do that.

Commissioner Howell: We will be counting in two places so be sure you have enough people to observe.

The County Clerk's Office will notify all the other candidates involved in the races in which the recount will be done. Also, notify them that if they want to participate they will have to post bond.

The County Clerk's Office said that it should be established if they want all precincts counted or part of them.

President Kun said that they will read the code and see what it says regarding the Board of Canvassers counting votes and see what it permits us to do.

Commissioner Howell: I will make a motion that any candidate that has requested a recount can stop the recount at any point after that precinct has been completed.

Commissioner Kun asked if there were any other requests for a recount? Let the record show that we have a request for a recount in Eastern District #3 for Precincts 8,9,15,30,31,32,35 and 85 and a \$300.00 check for bond from Thelma Gibson, Candidate for Monongalia County Executive Committee. We will turn this over to the County Clerk for holding.

Commissioner Howell: Let the record show that we have a request for a recount from Richard Jarvis, Jr. for Precincts 25,29,36,76,81,84,86 in Eastern District #1 and accompanied by a proper check.

Tom Jackson, County Clerk, asked if any person would want any of the poll books, tally sheets or any other part of the election other than the ballots themselves.

Commissioner Howell: Lets reserve the right until later if they want to examine it later. Commissioner Howell will count District #1.

Tom Jackson, County Clerk, submitted to the Board of Canvassers, Tally Sheets that are clean and unmarked for the purpose of counting the votes in the various Executive Committee Races.

Commissioner Kun checked Tally Sheets in Eastern District #3 and there were no marks on the tally sheets that are being used for the recount.

Commissioner Howell checked Tally Sheets in Eastern District #1 and there were no marks on the Tally Sheets that were being used for the recount.

The results of the recount are:

Steve Siegwarth, husband of Carla Siegwarth, protested stating that the signature of one of the Poll Workers, Beulah Samson, was not consistent on all ballots in his opinion in Precinct #85.

Commissioner Howell: What are you talking about?

Steve Siegwarth: You check the signature of Beulah Samson, it fluctuates throughout the Precinct on every form.

Commissioner Howell asked what he was suggesting? Are you suggesting that Beulah Samson did not sign these?

Commissioner Kun said that it does fluctuate a little bit; however, I am not up on handwriting.

Commissioner Howell stated that Beulah Samson has a condition that could be the reason for this.

Commissioner Kun said that he had the right to protest against her signature. If he wants to carry it further it is up to him. He is contesting the legality of what happened at the polls. We will call the poll workers in and do what we need to do in the next step.

Tom Jackson, County Clerk, said that we would put in the record that you were not satisfied with the returns as her signature fluctuated.

Commissioner Kun asked if there were any other complaints, before we end our setting as a Board of Canvassers.

Tom Jackson, County Clerk, stated that once you have accepted all precincts as recounted by the Clerks and signed the back of the envelopes and I sign them also the Recount is completed.

The Board of Canvassers Certified these Ballots in the race for Democratic Executive Committee in Eastern District #1 and Eastern District #3.

Commissioner Howell stated that the checks would be returned to Thelma Gibson and Richard Jarvis, Jr. and the Clerk of the Commission would determine the amount to charge the two that asked for the recount, Alan Wheeler and Carla Siegwarth. They will be charged for two hours and the rest of their bond will be returned to them.

The Board of Canvassers adjourned sine die at 1:30 p.m.

The Monongalia County Commission, sitting as a Board of Canvassers, convened at 1:10 p.m. on November 8, 1982 in the Record Room of the Monongalia County Clerk's Office at the Monongalia County Courthouse for the purpose of canvassing the returns of the November 2, 1982 General Election held in Monongalia County:

The following persons were present for such canvass:

Joseph E. Kun, President --Board of Canvassers  
Paul N. Kapnicky--Member  
Thelma J. Gibson--Chief Deputy Clerk  
Valena Powell-Deputy Clerk; Fred Madeira-Deputy Clerk  
Robert Lazzell-Chairman Republican Executive Committee  
Eugene J. Sellaro, Jr.-Candidate for the Unexpired term of County Commissioner

Jean Friend, Circuit Clerk, presented to the Board of Canvassers (3) three Challenged Ballots that was challenged in her office. These will be put with the other Challenged Ballots.

President Kun: Mr. Lazzell do you have something to say to the Board of Canvassers at this time?

Robert Lazzell: I have three items: First, is the "Write-in Votes." My observation of the Election indicates to me that we don't know how to do that very well and that led me to the conclusion there should be some instructions on the write-in procedure, even though stickers were available they were afraid to use them in some cases and certainly you will see if you will look in those write in areas, they wrote them in anywhere and one quarter of the write-ins were not counted. I am not being partisan on this. The write-in procedure we used last Tuesday left alot to be desired on everyones part. We might, in terms now as to what to do in the future if we have a heavy write-in situation and I recommend the County Clerk's Office perpare a set of instructions and hand to each voter with his ballot. Secondly, a straight ticket and this is not a new observation, there were a number of voters who reported back that they had forgotten, as they were elderly people, and when they asked someone what to do about voting they were told to put an X in the Circle in the top of their party and that would indicate they were a member of that party and they could indicate by putting an X before the one they wanted. This has been going on for a long time. Many of these people found they had voted a straight ticket and didn't mean to. The third item is a question I searched in the Code for an answer--a question of passing out sample ballots at the polls. I don't know if this is legal or illegal and I think it does bring in a new area of concern I think it should be recognized as a procedure and done by all or frown on it and not do it at all. There were alot of samples passed out last Tuesday. Is this a proper procedure. I am not speaking for any candidate or any party versus the other this is just from my observations after visiting (37) polling places on Election Day and I have this opportunity to bring the concerns of the people to you.

President Kun: As far as instructions to the voter as to how to vote a write-in, the Secretary of State indicated that practically anywhere you put a name on the ballot or a sticker on the ballot, as long as it was not on the back of the ballot it would be counted. His statement was that the intent of the voter should be recognized.

Mr. Lazzell: That is right and quite clear the intent of the Code is that the voter intent should be followed. We were told by counters when they called in being confused with the writing of names, when they were in the wrong place they were told not to count them, and you will find that happened in alot of places. 30% of the votes were written in the wrong places.

Thelma Gibson--Chief Deputy Clerk: I conducted the training session for the poll workers and I specifically instructed them if the name was written in on the ballot no matter where it was written in, if it had the office like Clerk of the County Commission Unexpired Term, that was to be counted. If they got the wrong information it was not the County Clerk's Office.

Mr. Lazzell: I don't know what this will do to your counting. I have been assured by the counters they did not count the votes for Kapnicky or Sellaro that was written in opposite Joseph Kun, Commissioner for the full term, and those could not be counted.

Thelma Gibson: According to instructions from the Secretary of State, if they went across from Mr. Kun he would get a vote there and you would not get a vote for the unexpired term.

Mr. Lazzell: They normally would not write all that information in it when they wrote a name in.

Mr. Kapnicky: The Secretary of State said anything should be counted that was on the face of the ballot that was intent.

Mr. Lazzell: I am sure common sense tells me that no one voted for Mr. Kapnick or Mr. Sellaro against Mr. Kun that intent would be to me they were voting for them for unexpired term--I would have to give them that credit.

President Kun: Do we have written instructions on these write ins from the Secretary of State? I had asked the prosecuting attorney to ask the Secretary of State to send us instructions on these write-in votes, but we have not received anything. The County Clerk had requested this also. You did receive something from the Secretary of State but the Prosecuting Attorneys' Office did not receive anything as yet regarding the Board of Canvassers. We wanted them to be sent to us so we would have some guide lines at the time we checked the challenged ballots. All we have to go by now is the little information the County Clerk's Office received. We won't have any idea how people voted in each precinct if no candidate asks for a recount. I don't know if it would be proper for the Board of Canvassers to take two or three precincts and open them up and see how they were counted in that particular race.

Mr. Lazzell: Even if there were no challenges resulting from that, it might be well to do this for future elections to know what the voters are doing and know what they need instructions on. I think written instructions on write-ins should be available at the polls.

President Kun: I don't know if the voter would take the time to sit down and read this. There was articles printed in the paper regarding this.

Mr. Lazzell: I think you can take anything you want in the booth with you but should they take sample ballots and pass them out at the door?

President Kun: Maybe some of them are marking their sample ballots at home and take them into the voting boots with them. We will take your comments in consideration and see what the Board of Canvassers want to do, if anything.

Mr. Kapnick: You surprised me at a statement you made, that the ballots could not be counted if not written in the proper places. The Secretary of State made it clear that any place the name is written on the face of the ballot it should be counted.

Thelma Gibson: As long as it told what office it was for.

Mr. Kapnick: There is nothing in writing on this from the Secretary of States' Office?

President Kun: That is why I requested something in writing from him early before the Election, but we did not receive it and do not have any guidelines. All we are going on is heresay.

Mr. Kapnick: As a Candidate, I have alot at stake and the variation of the number of votes cast probably could not be overcome but I know this information was requested in time for the election and why the Secretary of State did not reny I don't know.

Thelma Gibson: Do you want me to pull the letter we received from him? We could call him and tell him we need something else in writing. No matter where it was written in, as long as it said what offoce it was with, it would be counted. The intention of the voter.

Mr. Kapnick: This same thing will probably be happening in the future and I think some guide lines should be set as a precedent.

President Kun: We an check some of the write-ins. We can check and see what has been done.

Thelma Gibson: I will get the seets from the Computer for Commissioner Kapnick and Mr. Sellaro.

Commissioner Kapnick: We can take these totals and keep a running total and see how many are picked up. Then we can see how we can recommend to the Secretary of State what to do in the future with write ins. These people were told their vote would count and now their vote won't count.

Tally Sheets were checked out against the Certificate of Results with no significant changes, up to Precinct #36.

The Board of Canvassers recessed at 3:15 p.m. until tomorrow at 1:00 p.m. when they will again sit as a Board of Canvassers.

Paul Gribble--Deputy Clerk and Lillian Angotti, Deputy Clerk

President Kun called the meeting to order and stated that they would go through the Challenged ballots.

The Board of Canvassers unanimously voted to disallow (70) seventy ballots. It was the Boards decision to allow (4) four absentee ballots. They determined that they were timely, these were ballots from the Circuit Clerk's Office. Also, (97) allowed plus (10) ten counted but the senatorial race would not be counted in them, making a total of (111) One hundred Eleven. There was one empty envelope with nothing in it that had been counted originally.

The Board of Canvassers than proceeded to open each of the (111) One hundred and Eleven challenged ballots which had been allowed. The ballots were placed face down after being removed from the challenged ballot envelope, they were then shuffled and tallied. The tally for each race was then added to the tally received by the office of the County Clerk from each precinct on Election Night.

The Board of Canvassers of the County completed the canvassing the ballots of the November 2, 1982 General Election at 3:00 p.m. and will convene Friday morning at 10:00 a.m. to certify the Election and that gives any candidate (48) hours or more to ask for a recount if they so desire. If there isn't any recounts we will certify the Election at that time.

Thelma J. Gibson, Clerk - Monongalia County Commission

Dr. Tom Clark, Ruth Ice

Representatives from the Board of Education - Jack Dulaney, Superintendent

The County Commission sitting as a Board of Canvassers convened on Tuesday, October 11, 1983 at 11:15 a.m. in the Building Commission Room #103 in the Monongalia County Court House and began to examine the ballots, poll books, tally sheets and certificates which were placed before them to determine that they are genuine and certified in form and manner substantially according to law. The Board proceeded to check the number of challenged ballots to determine the number in each Precinct. There was a total of 109 challenged ballots cast. They are as follows:

Prec.	No. of challenged ballots	Prec.	No. of challenged ballots
2	1	36	4

Precinct 90 had two (2) unsealed challenged ballots.

The Board of Canvassers ordered the County Clerk's Office to prepare a synopsis of the challenged ballots to determine the validity of the registration of each person voting a challenged ballot.

The Board of Canvassers proceeded to open each sealed package of ballots laid before them and without unfolding them, count the number in each package and entered the same upon their record. They compared the number of poll tickets in each precinct with the number of ballots cast. The ballots were then again sealed up carefully in a new envelope and each member of the Board signed his name across the place where such envelope was sealed.

The following list shows the number of poll tickets and the number of ballots cast in each precinct:

The Monongalia County County Commission reconvened as a Board of Canvassers in the Office of the Building Commission, Room 103, to continue canvassing the votes in the School Levy Election of October 5, 1983.

The synopsis prepared by the County Clerk's Office on the unopened challenged ballot envelopes were completed and the information prepared as to the reason for such challenge for the Board's consideration. They proceeded to check making a decision which were to be allowed and which were to be disallowed. They are allowing all poll workers that voted out of their precinct and voted in the precinct where working.

After carefully checking the comments regarding their registration written on the outside of the challenged envelope by the County Clerk's Office, the Commission unanimously agreed to allow 85 and disallow 24.

The Board of Canvassers opened the sealed challenged envelopes and placed the ballots face down on the table. Then they were tallied as the Board read the votes off to the tally clerks. There were 76 votes for and 9 votes against. With these votes added to the present totals it made a total of 4,289 for and 678 against.

PRIMARY ELECTION--JUNE 1, 1982

FRIDAY, JUNE 4, 1982  
11:15 a.m.

MEETING OF BOARD OF CANVASSERS:

PRESENT: Joseph E. Kun, President-Monongalia County Commission  
Harry U. Howell and Richard E. Davies - Members  
Tom Jackson, County Clerk  
Thelma Gibson  
Valena Powell

The Board of Canvassers met at 11:15 a.m. on Friday, June 4, 1982 and began to examine the results returned by the precinct officials to determine if they are genuine and certified in form and manner substantially according to the requirements of the statute.

The first thing they were ascertaining the number of challenged ballots and authorized the County Clerk's Office to ascertain if the people voting a challenged ballot was properly registered and designate so on the front of the envelope by the next meeting.

They compared tally sheets against the Certificate of results also.

Challenged Ballots received from all precincts were 129.

Commissioner Howell stated that there was one Absentee Democratic Ballot in Precinct #39 that was not challenged or anything unless we challenge it. I think this ballot should be counted if they are properly registered.

Commissioner Kun said we will wait to rule on that after the County Clerk's Office has checked out all of the registration.

Commissioner Kun asked if there was anyone that would like to make any reference to the results and if they do they should come up here so that we can note their remarks.

William Bunner stated that in the Dorsey School Precincts (35 and 85) he heard a member of the counting board left prior to the official closing or posting of the results and did not sign the results and someone else signed their name. Also, another question as to irregularities, there were some of the votes counted, I understand, when there were a small number of ballots. Perhaps the Clerk's Office should establish a guide line in this for a minimum number in some precincts. They counted as few as five or six ballots.

Tom Jackson, County Clerk, stated that 805 Clerks and Commissioners were instructed that they should allow a reasonable number of ballots in the ballot box to protect the secrecy of the voter. We hope that this was followed. In the next class of instruction, before the next election we will emphasize this in the instructions to the poll workers.

Commissioner Howell made a motion and it was unanimous that they check Precincts 35 and 85, Dorsey School, as to irregularities.

President Kun stated that after examining Precincts 35 and 85 it does not reveal any discrepancy.

Commissioner Davies asked William Bunner if he had any additional questions?

William Bunner said that he didn't have any more questions.

After checking all tally sheets against the Certificate of Results there was found to be a discrepancy in Precinct 32 in the race for State Senate in the 14th Senatorial District. It showed on the Tally Sheet 8 for Harold Berthy, Jr. and the Certificate of Results showed 9 for him. Making a loss of (1) vote for Harold Berthy, Jr. in that race.

In Precinct 53, Harold Berthy, Jr. the Tally Sheets showed (5) and the Certificate of Results showed (4), making a gain of (1) vote.

Ronald Brown in the 15th Senatorial District in the State Executive Committee race had (45) on the tally sheet, Certificate of Results had (38)--a gain of (7) votes.

Precinct 81--House of Delegate Race, Clarence Harvey, Tally Sheet shows (17), Certificate of Results shows (16) a gain of (1) vote.

Precinct 87--State Senate Race, Stephen Cook, Tally Sheet shows (79) and the Certificate of Results shows (74), a gain of (4) votes.

Precinct 88--House of Delegate Race, Larry Harless, Tally Sheet (10) votes, Certificate of Results showed none making a gain of (10) votes.

TUESDAY, JUNE 8, 1982  
11:45 a.m.

PRESENT: Joseph E. Kun, President of the Board of Canvassers  
Harry U. Howell, Member

The Board or Canvassers reconvened at 11:45 a.m. this Tuesday, June 8, 1982. in the record room of the County Clerk's Office at the Monongalia County Courthouse for the purpose of continuing the canvass of votes cast in the June 1, 1982 Primary Election held in Monongalia County. Others present were:

Tom Jackson, County Clerk  
Thelma J. Gibson, Chief Deputy Clerk  
Valena Powell, Cecilia Scudiere, Cheryl Malone, Sharon Lemasters, Emma Angotti and Delores Audia, Deputy Clerks.  
William Bunner, Attorney representing Alan Wheeler, Candidate for Democratic Executive Committee and Carla Siegwarth, Candidate for Democratic Executive Committee.

Joseph Kun, President, called the meeting of the Board of Canvassers to order. The Board immediately proceeded to rule on the validity of the challenged ballots and to see if the voter was properly registered.

There were (23) absentee ballots turned in by the Circuit Clerk to the County Clerk. The complete total of challenged ballots being (129 + (23)).

The Board discussed at length the various ballots which should or should not be counted. The Board ordered the County Clerk's Office to check to see if they voted out of their Executive Committee Districts and indicate on the front of the envelopes.

The Board recessed at 12:15 p.m. until Friday morning, June 11, 1982 when they will meet again as a Board of Canvassers.

FRIDAY, JUNE 11, 1982  
10:00 a.m.

The Monongalia County Commission, sitting as a Board of Canvassers, reconvened at 10:00 a.m. on Friday, June 11, 1982 in the Record Room of the Monongalia County Clerk's Office at the Monongalia County Courthouse for the purpose of continuing the canvass of the returns of the Primary Election held in Monongalia County on June 1, 1982. The following persons were present for such canvass:

Joseph E. Kun, President-Monongalia County Board of Canvassers  
Harry U. Howell, Member  
Tom Jackson, Clerk-Monongalia County Commission  
Thelma J. Gibson, Chief Deputy Clerk  
Sharon leMasters, Valena Powell, Cheryl Malone, Cecelia Scudiere,  
and Delores Audia.  
William Bunner

There was a discussion regarding (2) Challenged Ballots there was no name on the Envelopes and we could not check their registration therefore they were disallowed.

One other ballot was disallowed because the person voted republican but was registered Democrat. If the Board opened the envelope they would know how he voted, therefore, it was disallowed.

The clerks opened the Challenged Envelopes and put the Democrats in one place and the Republicans in another to be counted.

Based on the synopsis prepared by the County Clerk's Office, on all challenged ballots cast in the June 1st, 1982 Primary Election. The Board ruled that (117) Challenged Ballots be allowed and (35) were disallowed.

The Board of Canvassers after examining Tally Sheets and all of the other documents pertaining to the Election publicly declared the results of said Canvass, and declared it completed as of 11:55 a.m. this day.

TUESDAY, JUNE 15, 1982  
11:15 a.m.

The Monongalia County Commission, sitting as a Board of Canvassers, convened in the Record Room of the County Clerk's Office for the purpose of opening two letters they received in connection with the Primary Election of June 1, 1982. A Letter from Mrs. Steve (Carla) Siegwarth, 103 Marcus Drive, Morgantown, West Virginia.

She was a candidate for the Democratic Executive Committee in Eastern District #3. She stated that she was requesting a recount of Precincts (8), (9), (15), (30), (31), (32), (35), and (85). If required to post bond, please advise her of the amount.

Commissioner Kun said they definitely will have to post bond.

Commissioner Howell said that we will set the bond at \$300.00 and will have to get it here before 11:55 a.m. today. Contact her and tell her to have her money here by that time.

President Kun said that another letter was received from Alan Wheeler stating that he requested a recount in Precincts (25), (29), (36), (39), (76), (81), (84), (86) in his contest for Democratic Executive Committee in Eastern District #1.

President Kun stated that it is now 11:56 a.m. and we will certify all Election results with the exception of the two Executive Committee Races at this time that are in question. All others will be certified. All Executive Races will be certified with the exception of races in Democratic Executive Committee in Eastern District #1 and Democratic Executive Committee in Eastern District #3. All others will be certified.

President Kun told the two candidates asking for a recount that they were now verbally notified that the recount would be held on Tuesday, June 22, 1982 at 11:00 a.m. All other candidates for these Districts will be notified by letter. We will turn over your requests and bonds to the County Clerk's Office to keep in safe keeping. The following is the completed canvass of ballots cast in the June 1, 1982 Primary Election with the exception of the above mentioned races. The Board having determined which challenged ballots were to be counted and ordered same to be added to the official tabulation and having sealed the examined ballots voted in a new envelope, certified the results of the Primary Election held on June 1, 1982 and having declared the results of said election, with the exception, caused to be prepared a table of said results of said election, including all challenged ballots allowed, which table is ordered to be recorded in the Election Record of Monongalia County. The Board does hereby certify that on the Official Ballot of the Democrat Party for the:

The Monongalia County Board of Canvassers recessed until at 12:00 noon until Tuesday, June 22, 1982, the time set for the recount as requested in the two Executive Committee Races. They will meet at 11:00 a.m.

**TUESDAY, JUNE 22, 1982**  
**BOARD OF CANVASSERS**  
**RECOUNT**

The Monongalia County Commission meeting as ex officio Board of Canvassers, convened in the County Clerk's Office for the purpose of recounting votes as requested by the Democratic Executive Candidates in Eastern District #1 and Eastern District #3. Bond was given for all candidates requesting a recount. The Board of Canvassers met at 11:35 a.m., (35) minutes late. The following persons were present to assist the Board of Canvassers;

President: Joseph E. Kun, Harry U. Howell, County Commissioners.  
 Tom Jackson, County Clerk  
 Thelma Gibson, Chief Deputy Clerk  
 Valena Powell, Delores Audia, Cecelia Scudiere, Cheryl Malone, Sharon Lemasters, Paul Gribble, Marvin Drvar

The recount was requested by Alan Wheeler, Candidate for Monongalia County Executive Committee in Eastern District #1, and Mrs. Steve (Carla) Siegwarth, Candidate for Monongalia County Executive Committee in Eastern District #3. They posted the required amount of bond, \$300.00.

Others assisting for various candidates etc. are:

Bill Bunner, Mrs. Jarvis, Steve Siegwarth.

Commissioner Howell stated that it appeared that the Candidates do not have any objection to one Commissioner and two Tellers counting ballots in the Precincts in each District.

Commissioner Kun said that if any candidate or candidate representative objects to this please come forth and state your name and your objection to this. Having no objections, we will proceed in that manner now. The next thing to determine is whether we are going to honor the candidates request to stop counting at any point.

President Kun said they would have to have their bond here by 11:55 a.m. because we will certify the election then.

Commissioner Howell said that in the Eastern District #3 we will count only the women.

President Kun said that Clyde Richey wishes to address the Board of Canvassers because of his challenged ballot:

Mr. Richey: First of all, Mr. Richey said that he didn't find out until he called this morning about a hearing, in addition to the hearing relative to his voter registration card being removed prior to the Election, that the election would be certified this morning at 11:55 a.m. My concern then, Mr. Richey said, as it took me a while to find out, they finally found out that my vote was not counted in the Election. I want to challenge the certifying the election itself as I have moved as timely and quickly as possible to have my situation reviewed and moved into the Circuit Court, In all cases, if the Election is certified without my vote being counted--there is no remedy in the future that will take care of this. I contend that my voter registration card was removed illegally and I have put my case before the County Commission and I have no objection in your waiting until Commissioner Davies returns to make a decision on that case. I do have an objection to the election results being certified with my ballot not being counted and I feel I am on sound grounds. This is the whole point, I am challenging the removal of my card and if you want to go through the arguments again as to challenging my vote. It hasn't been decided, I don't see how the election could be certified and my vote not counted in the event I later prove to be correct in my belief that I was misenfranchised illegally.

President Kun stated that the Board of Canvassers took the position that when we are examining the challenged ballots that you were not properly registered at that particular moment and we had to rule on the challenged ballots in order to proceed with the canvass. The Board of Canvassers felt they could not hold up the canvassing of the ballots and the certifying of the election. Is that correct Mr. Howell?

Commissioner Howell said that at the time that we examined the ballots, your registration card was not in the books and this was so noted. Regardless whether it was withdrawn illegally or legally, that didn't enter into it so far as the Board of Canvassers were concerned. The only thing that we could rule on was the fact the clerk said that you did not have a valid registration card in the files in this Courthouse. For that reason, we had no choice but to not count your ballot.

Mr. Richey: I contend that I am validly registered, I have been for years and I haven't missed an election for years. The grounds for removing my card are illegal. I have done everything in my power to be a legal registrant. I have appeared where ever I needed to appear. There is absolutely no remedy for me if it is not counted, I don't see how it ever could be counted if the issue should be resolved in my favor, either through you all or somewhere down the line, and I request that I be given a hearing then relative to not counting my vote, I will admit it is exactly the same arguments related to my card being removed. I am not a lawyer, but this is not fair or not just, it is not correct and no one would say it as so.

Commissioner Howell said that the agreed that the timing in this case worked to your disadvantage, but all we had to go by is if there is a valid registration card in the book. The Clerk informs us that there was not in your case. I think the timing worked for your disadvantage and there is no other course the Board of Canvassers could take only that you were not registered. If at some later date, someone says that you were definitely legally registered, I agree with you, there is no way your vote can be counted and not destroy the right of secrecy of your vote.

Mr. Richey said he did not think that in the future it could be legally added on at all. I would not care if this was made public or not. The point being it is the grounds which I was removed for voting. The timing is someone elses fault, if this was to be done it should have been done at the time, when I could have acted promptly and challenged it. No one can site me an example where this has ever been done to anyone. I am the first person in the State of West Virginia that has had their voting rights removed for this reason. The very nature of this fact, maybe someone would say maybe we should count it until he is disqualified in a court of law in some way. I challenge the election results itself if this is certified without dealing with

my ballot in some forth right way and it is not fair to do what you are planning to do, it is not just, and all I can do is to protest. The same thing happened when I filed for an office.

Commissioner Howell said that he would like to clarify one thing--the Commission had nothing to do with the timing, as well as you did not either.

Mr. Richey: I have no hostility toward the Commission. You are disenfranchising me although it is symbolic, it is not that big a deal, my vote will not change any election. It is a symbolic act which I refuse to accept, that I am being disenfranchised from voting illegally and I am going to keep on protesting in every court in every place I can.

President Kun stated that he wanted the record to show the protest of Mr. Richey for his ballot being challenged and not being counted in the Primary Election of June 1, 1982.

County Clerk, Tom Jackson, stated that he contacted Alan Wheeler and he said he would be right down with his bond for the recount.

Mr. Richey said that if they have to put up bond that will put this certification of the election off for a while and maybe he can get into court.

Mrs. Gibson stated that they were to certify all the results with the exception of those asked for a recount.

Mr. Richey: I am protesting the certifying of the results in this election in the races I would have been allowed to vote in. You can certify the rest without my protest.

Commissioner Howell: As far as we can see they are all together and we will give you a copy of the minutes where you say you are disenfranchised, and you can use the minutes as evidence.

Mr. Richey: You know that there is no remedy to put me back on the ballog.

Commissioner Howell: You are thinking of the future that some time this question could come up, maybe in the November Election.

Mr. Richey: Perhaps by November my whole case could be overturned, and then I would be allowed to vote anyway.

Commissioner Howell: I would suggest Mr. President that we see that Mr. Richey gets a copy of these minutes of this portion of the hearing.

Commissioner Kun: It is unanimously agreed by the Board of Canvassers that Mr. Richey be sent a copy of these minutes.

The Board recessed at 11:30 a.m. until 11:50 a.m.

The Board of Canvassers went back in session and President Kun stated that he wanted the record to show that they had received a cashiers check from the First National Bank for Allan Wheeler--the check signed by Emily Gianola for a deposit or the bond for his recount.

A money order from the Union Savings and Loan Association from Mrs. Steve (Carla) Siegwarth, 103 Marcus Drive, Morgantown, West Virginia for bond for her request for a recount was received.

The recount will be Tuesday, June 22, 1982 at 11:00 a.m. the recount will be held in this area here and if you want observers you are allowed to do that.

Commissioner Howell: We will be counting in two places so be sure you have enough people to observe.

The County Clerk's Office will notify all the other candidates involved in the races in which the recount will be done. Also, notify them that if they want to participate they will have to post bond.

The County Clerk's Office said that it should be established if they want all precincts counted or part of them.

President Kun said that they will read the code and see what it says regarding the Board of Canvassers counting votes and see what it permits us to do.

Commissioner Howell: I will make a motion that any candidate that has requested a recount can stop the recount at any point after that precinct has been completed.

Commissioner Kun asked if there were any other requests for a recount? Let the record show that we have a request for a recount in Eastern District #3 for Precincts 8,9,15,30,31,32,35 and 85 and a \$300.00 check for bond from Thelma Gibson, Candidate for Monongalia County Executive Committee. We will turn this over to the County Clerk for holding.

Commissioner Howell: Let the record show that we have a request for a recount from Richard Jarvis, Jr. for Precincts 25,29,36,76,81,84,86 in Eastern District #1 and accompanied by a proper check.

Tom Jackson, County Clerk, asked if any person would want any of the poll books, tally sheets or any other part of the election other than the ballots themselves.

Commissioner Howell: Lets reserve the right until later if they want to examine it later. Commissioner Howell will count District #1.

Tom Jackson, County Clerk, submitted to the Board of Canvassers, Tally Sheets that are clean and unmarked for the purpose of counting the votes in the various Executive Committee Races.

Commissioner Kun checked Tally Sheets in Eastern District #3 and there were no marks on the tally sheets that are being used for the recount.

Commissioner Howell checked Tally Sheets in Eastern District #1 and there were no marks on the Tally Sheets that were being used for the recount.

The results of the recount are:

Steve Siegwarth, husband of Carla Siegwarth, protested stating that the signature of one of the Poll Workers, Beulah Samson, was not consistent on all ballots in his opinion in Precinct #85.

Commissioner Howell: What are you talking about?

Steve Siegwarth: You check the signature of Beulah Samson, it fluctuates throughout the Precinct on every form.

Commissioner Howell asked what he was suggesting? Are you suggesting that Beulah Samson did not sign these?

Commissioner Kun said that it does fluctuate a little bit; however, I am not up on handwriting.

Commissioner Howell stated that Beulah Samson has a condition that could be the reason for this.

Commissioner Kun said that he had the right to protest against her signature. If he wants to carry it further it is up to him. He is contesting the legality of what happened at the polls. We will call the poll workers in and do what we need to do in the next step.

Tom Jackson, County Clerk, said that we would put in the record that you were not satisfied with the returns as her signature fluctuated.

Commissioner Kun asked if there were any other complaints, before we end our setting as a Board of Canvassers.

Tom Jackson, County Clerk, stated that once you have accepted all precincts as recounted by the Clerks and signed the back of the envelopes and I sign them also the Recount is completed.

The Board of Canvassers Certified these Ballots in the race for Democratic Executive Committee in Eastern District #1 and Eastern District #3.

Commissioner Howell stated that the checks would be returned to Thelma Gibson and Richard Jarvis, Jr. and the Clerk of the Commission would determine the amount to charge the two that asked for the recount, Alan Wheeler and Carla Siegwarth. They will be charged for two hours and the rest of their bond will be returned to them.

The Board of Canvassers adjourned sine die at 1:30 p.m.

The Monongalia County Commission, sitting as a Board of Canvassers, convened at 1:10 p.m. on November 8, 1982 in the Record Room of the Monongalia County Clerk's Office at the Monongalia County Courthouse for the purpose of canvassing the returns of the November 2, 1982 General Election held in Monongalia County:

The following persons were present for such canvass:

Joseph E. Kun, President --Board of Canvassers  
Paul N. Kapnicky--Member  
Thelma J. Gibson--Chief Deputy Clerk  
Valena Powell-Deputy Clerk; Fred Madeira-Deputy Clerk  
Robert Lazzell-Chairman Republican Executive Committee  
Eugene J. Sellaro, Jr.-Candidate for the Unexpired term of County Commissioner

Jean Friend, Circuit Clerk, presented to the Board of Canvassers (3) three Challenged Ballots that was challenged in her office. These will be put with the other Challenged Ballots.

President Kun: Mr. Lazzell do you have something to say to the Board of Canvassers at this time?

Robert Lazzell: I have three items: First, is the "Write-in Votes." My observation of the Election indicates to me that we don't know how to do that very well and that led me to the conclusion there should be some instructions on the write-in procedure, even though stickers were available they were afraid to use them in some cases and certainly you will see if you will look in those write in areas, they wrote them in anywhere and one quarter of the write-ins were not counted. I am not being partisan on this. The write-in procedure we used last Tuesday left a lot to be desired on everyone's part. We might, in terms now as to what to do in the future if we have a heavy write-in situation and I recommend the County Clerk's Office prepare a set of instructions and hand to each voter with his ballot. Secondly, a straight ticket and this is not a new observation, there were a number of voters who reported back that they had forgotten, as they were elderly people, and when they asked someone what to do about voting they were told to put an X in the Circle in the top of their party and that would indicate they were a member of that party and they could indicate by putting an X before the one they wanted. This has been going on for a long time. Many of these people found they had voted a straight ticket and didn't mean to. The third item is a question I searched in the Code for an answer--a question of passing out sample ballots at the polls. I don't know if this is legal or illegal and I think it does bring in a new area of concern I think it should be recognized as a procedure and done by all or frown on it and not do it at all. There were a lot of samples passed out last Tuesday. Is this a proper procedure. I am not speaking for any candidate or any party versus the other this is just from my observations after visiting (37) polling places on Election Day and I have this opportunity to bring the concerns of the people to you.

President Kun: As far as instructions to the voter as to how to vote a write-in, the Secretary of State indicated that practically anywhere you put a name on the ballot or a sticker on the ballot, as long as it was not on the back of the ballot it would be counted. His statement was that the intent of the voter should be recognized.

Mr. Lazzell: That is right and quite clear the intent of the Code is that the voter intent should be followed. We were told by counters when they called in being confused with the writing of names, when they were in the wrong place they were told not to count them, and you will find that happened in a lot of places. 30% of the votes were written in the wrong places.

Thelma Gibson--Chief Deputy Clerk: I conducted the training session for the poll workers and I specifically instructed them if the name was written in on the ballot no matter where it was written in, if it had the office like Clerk of the County Commission Unexpired Term, that was to be counted. If they got the wrong information it was not the County Clerk's Office.

Mr. Lazzell: I don't know what this will do to your counting. I have been assured by the counters they did not count the votes for Kapnicky or Sellaro that was written in opposite Joseph Kun, Commissioner for the full term, and those could not be counted.

Thelma Gibson: According to instructions from the Secretary of State, if they went across from Mr. Kun he would get a vote there and you would not get a vote for the unexpired term.

Mr. Lazzell: They normally would not write all that information in it when they wrote a name in.

Mr. Kapnicky: The Secretary of State said anything should be counted that was on the face of the ballot that was intent.

Mr. Lazzell: I am sure common sense tells me that no one voted for Mr. Kapnick or Mr. Sellaro against Mr. Kun that intent would be to me they were voting for them for unexpired term--I would have to give them that credit.

President Kun: Do we have written instructions on these write ins from the Secretary of State? I had asked the prosecuting attorney to ask the Secretary of State to send us instructions on these write-in votes, but we have not received anything. The County Clerk had requested this also. You did receive something from the Secretary of State but the Prosecuting Attorneys' Office did not receive anything as yet regarding the Board of Canvassers. We wanted them to be sent to us so we would have some guide lines at the time we checked the challenged ballots. All we have to go by now is the little information the County Clerk's Office received. We won't have any idea how people voted in each precinct if no candidate asks for a recount. I don't know if it would be proper for the Board of Canvassers to take two or three precincts and open them up and see how they were counted in that particular race.

Mr. Lazzell: Even if there were no challenges resulting from that, it might be well to do this for future elections to know what the voters are doing and know what they need instructions on. I think written instructions on write-ins should be available at the polls.

President Kun: I don't know if the voter would take the time to sit down and read this. There was articles printed in the paper regarding this.

Mr. Lazzell: I think you can take anything you want in the booth with you but should they take sample ballots and pass them out at the door?

President Kun: Maybe some of them are marking their sample ballots at home and take them into the voting boots with them. We will take your comments in consideration and see what the Board of Canvassers want to do, if anything.

Mr. Kapnick: You surprised me at a statement you made, that the ballots could not be counted if not written in the proper places. The Secretary of State made it clear that any place the name is written on the face of the ballot it should be counted.

Thelma Gibson: As long as it told what office it was for.

Mr. Kapnick: There is nothing in writing on this from the Secretary of States' Office?

President Kun: That is why I requested something in writing from him early before the Election, but we did not receive it and do not have any guidelines. All we are going on is heresay.

Mr. Kapnick: As a Candidate, I have alot at stake and the variation of the number of votes cast probably could not be overcome but I know this information was requested in time for the election and why the Secretary of State did not reny I don't know.

Thelma Gibson: Do you want me to pull the letter we received from him? We could call him and tell him we need something else in writing. No matter where it was written in, as long as it said what offoce it was with, it would be counted. The intention of the voter.

Mr. Kapnick: This same thing will probably be happening in the future and I think some guide lines should be set as a precedent.

President Kun: We an check some of the write-ins. We can check and see what has been done.

Thelma Gibson: I will get the seets from the Computer for Commissioner Kapnick and Mr. Sellaro.

Commissioner Kapnick: We can take these totals and keep a running total and see how many are picked up. Then we can see how we can recommend to the Secretary of State what to do in the future with write ins. These people were told their vote would count and now their vote won't count.

Tally Sheets were checked out against the Certificate of Results with no significant changes, up to Precinct #36.

The Board of Canvassers recessed at 3:15 p.m. until tomorrow at 1:00 p.m. when they will again sit as a Board of Canvassers.

President Kun called the meeting to order and stated that they would go through the Challenged ballots.

The Board of Canvassers unanimously voted to disallow (70) seventy ballots. It was the Boards decision to allow (4) four absentee ballots. They determined that they were timely, these were ballots from the Circuit Clerk's Office. Also, (97) allowed plus (10) ten counted but the senatorial race would not be counted in them, making a total of (111) One hundred Eleven. There was one empty envelope with nothing in it that had been counted originally.

The Board of Canvassers than proceeded to open each of the (111) One hundred and Eleven challenged ballots which had been allowed. The ballots were placed face down after being removed from the challenged ballot envelope, they were then shuffled and tallied. The tally for each race was then added to the tally received by the office of the County Clerk from each precinct on Election Night.

The Board of Canvassers of the County completed the canvassing the ballots of the November 2, 1982 General Election at 3:00 p.m. and will convene Friday morning at 10:00 a.m. to certify the Election and that gives any candidate (48) hours or more to ask for a recount if they so desire. If there isn't any recounts we will certify the Election at that time.

The County Commission sitting as a Board of Canvassers convened on Tuesday, October 11, 1983 at 11:15 a.m. in the Building Commission Room #103 in the Monongalia County Court House and began to examine the ballots, poll books, tally sheets and certificates which were placed before them to determine that they are genuine and certified in form and manner substantially according to law. The Board proceeded to check the number of challenged ballots to determine the number in each Precinct. There was a total of 109 challenged ballots cast. They are as follows:

Prec.	No. of challenged ballots	Prec.	No. of challenged ballots
2	1	36	4
3	3	39	2

		83	2
		85	4
		86	4
		90	2 (Unsealed)

Precinct 90 had two (2) unsealed challenged ballots.

The Board of Canvassers ordered the County Clerk's Office to prepare a synopsis of the challenged ballots to determine the validity of the registration of each person voting a challenged ballot.

The Board of Canvassers proceeded to open each sealed package of ballots laid before them and without unfolding them, count the number in each package and entered the same upon their record. They compared the number of poll tickets in each precinct with the number of ballots cast. The ballots were then again sealed up carefully in a new envelope and each member of the Board signed his name across the place where such envelope was sealed.

The following list shows the number of poll tickets and the number of ballots cast in each precinct:

The Monongalia County County Commission reconvened as a Board of Canvassers in the Office of the Building Commission, Room 103, to continue canvassing the votes in the School Levy Election of October 5, 1983.

The synopsis prepared by the County Clerk's Office on the unopened challenged ballot envelopes were completed and the information prepared as to the reason for such challenge for the Board's consideration. They proceeded to check making a decision which were to be allowed and which were to be disallowed. They are allowing all poll workers that voted out of their precinct and voted in the precinct where working.

After carefully checking the comments regarding their registration written on the outside of the challenged envelope by the County Clerk's Office, the Commission unanimously agreed to allow 85 and disallow 24.

The Board of Canvassers opened the sealed challenged envelopes and placed the ballots face down on the table. Then they were tallied as the Board read the votes off to the tally clerks. There were 76 votes for and 9 votes against. With these votes added to the present totals it made a total of 4,289 for and 678 against.

The Board of Canvassers will certify the Results on Monday, October 17, 1983 at 11:00 a.m. The Board recessed at 11:45 a.m. until Monday, October 17, 1983 at 11:00 a.m.
