The Board of Canvassers met at 10:00 a.m. on Friday, May 13, 1988, in room 103 of the Monongalia County Courthouse to begin the canvass of the votes cast in the May 10, 1988, Primary Election.

President Joseph E. Kun asked the County Clerk if she wanted to discuss anything before the canvass of the votes cast in the May 10, 1988 Primary Election. She advised the Board of Canvassers of the mistakes on the ballots which resulted in numerous calls to the County Clerks's Office throughout election day. Ballot errors included the omission of candidates names and one (1) candidates name appearing on the ballot twice.

In precinct No. 43, Morgan Heights the poll workers called and told the County Clerk that the Circuit Clerk, Jean Friend, brought ballots to them uncounted and picked up ballots uncounted and removed them from the polls. The poll workers asked her about the ballots not being counted and she told them they did not have to be counted. Ms. Gibson asked them to put something in writing for her. They wrote a note and all five (5) poll workers signed this note and delivered it to the County Clerk's Office. The same thing happened in other precincts over the county. In Chestnut Hills precinct the poll workers had signed some of the ballots which the Circuit Clerk had removed from that precinct. As soon as the first call came into the County Clerk's Office, Ms. Gibson called the Secretary of State's Office and talked to Bill Herrington. Mr. Herrington requested a copy upon receipt of said note to be sent to the Secretary of State's Office.

President Joseph E. Kun said, "let the record show that a letter stating and signed by five(5) poll workers showing the Circuit Clerk picked up a number of ballots and left ballots without knowing how many ballots were given in place of removed ballots."

The County Clerk told the Board of Canvassers that she had requested of poll workers the procedure of everything being put in the ballot boxes and locked. The only items to be hand delivered were the expense sheets, registration books, supply kits and the certificate of results which were used to post the number of votes cast on election night.

Before the Board of Canvassers had the ballot boxes brought up from the vault, Ms. Gibson had a box of envelopes that were not put in the ballot boxes and locked as the poll workers were instructed. This box was kept in the safe. These envelopes were sorted and placed on a table by precinct to be canvassed with the correct precinct.

At this time the Board of Canvassers had the locked ballot boxes brought up from the vault and unlocked to remove the tally sheets to compare with the certificate of results.

The Board proceeded to compare the number of votes indicated on tally sheet with the number of votes on the certificate of results.

At the opening of tally sheets and certificate of results the following discrepancies were noted;

The Board of Canvassers reconvened at 10:30 a.m., Friday May 20, 1988 for the purpose of reviewing the absentee and challenged ballots cast in the May 10, 1988 Primary Election to determine how many of the two hundred and fifty - four (254) ballots will be allowed.

The envelopes and ballots of the absentee and challenged ballots which are allowed be numbered and the ballots removed and placed face down to protect the secrecy of the voter. The envelopes will be given to our County Clerk for the purpose of giving the voter credit for voting. After all ballots are tallied, they will be put in a large envelope, sealed, marked challenged ballots and stored in the vault to preserve the secrecy of the voter. With the above procedure in the event of a contested election recount or a challenged ballot contested the ballot can be matched with the proper envelope. This is keeping as much as possible as to what the Secretary of State requested.

The Board reviewed the two hundred and fifty-four (254) ballots cast in the May go, 1988 Primary Election. Of the two hundred and fifty-four (254) challenged ballots, two hundred and two (202) ballots were allowed and fifty-two (52) were not allowed by the Board. Of the fifty-two (52) not allowed were ballots received too late, voters not registered to vote and voting the wrong ticket. These ballots were placed in the the locked vault.

The County Commisssioners sitting as a Board of Canvassers finished tallying the absentee and challenged ballots cast in the May 10, 1988 Primary Election that were allowed on the Democrat, Republian and the Non_Partisan County Board of Education.

The Board of Canvassers recessed at 3:50 p.m. on Friday May 20, 1988 to reconvene on Wednesday May 25, 1988 at 10:30 a.m. to certify the election.
