The Board of Canvassers met at 1:30 o'clock A.M. on Wednesday, May 22, 2002, in Room Number 103, Voters Registration, of the Monongalia County Courthouse and unlocked the vault to remove the five randomly selected precincts to finish reconciling the hand tally and to continue balancing the Statement of Ballots Used.

The Board of Canvassers proceeded to reconcile the five hand tallied precincts. At 3:00 P.M. the Board of Canvassers locked Room Number 103, Voters Registration, of the Monongalia County Courthouse and preceded to Room 123, Monongalia County Clerk's Office, Records Room, of the Monongalia County Courthouse to re-run the ballots of Precinct 54, 75, 69, 88 and 63 through the scanner, with the permission of the Secretary of State's Office, to compare the results.

After further investigation in checking the tally against the hand count it was discovered that ballots containing write-in votes or an "X" on the write-in part of the ballot counted, but was kicked out of the scanner because of the write-in. The write-in went to the Resolution Board on election night to record the write-in vote. After the write-in vote was recorded, the ballot was run back through the scanner again causing the votes on the ballot to be counted twice. For example, in precinct fifty-four (54) the scanner showed one hundred seventy-four (174) ballots to be counted, when actually it was one hundred sixty (160) ballots. Twenty-five (25) of the ballots went to the Resolution Board to count the write-in votes and all were sent back through the scanner again. Fourteen (14) ballots were counted twice because the only reason why they were kicked out was because they had a write-in vote.

The Board of Canvassers unanimously agreed to recess at 4:25 P.M. until Thursday, May 23, 2002 at 9:00 A.M.
